## **Our principles**

ICI Bucharest, through its activity uses personal data in numerous services it offers, such as:

- research-development-innovation services;
- services specific to the Romanian Register of RoTLD domains;
- essential services for the approval of electronic cash registers.

Since the security of your data is very important to us, we make every effort to comply with the regulation. At the same time, we would like to assure you that we take all necessary measures to use as little personal data as possible and to process it only to the extent necessary.

## **The purpose of collecting and processing personal data**

Personal data will be processed for contractual purposes and in accordance with the law, without being used for purposes other than those permitted.

**INSTITUTUL NAȚIONAL DE CERCETARE - DEZVOLTARE  
ÎN INFORMATICĂ - ICI BUCUREȘTI**

In order to facilitate the development of activities and to comply with the legal obligations arising from the activity of ICI Bucharest, it is possible to disclose such data to public authorities, operators, third parties or other categories of recipients, provided that their interest is legitimate, subject to existing legal provisions and their protection is guaranteed.

In order to fulfil its contractual purposes, ICI Bucharest may disclose personal data in other countries of the European Union to competent international authorities and bodies in the area of activity in accordance with Art. 6, para. 3, lit. a and b of the Regulation.

ICI Bucharest can process your data in the following situations (and not only):

- signing and carrying out a contract with you, fulfilling your contractual obligations and requests. For example, to be part of a research and development project, to be able to publish in one of our specialized magazines, to be able to use the services offered by RoTLD, to be able to endorse your cash registers, or to be able to participate in continuing vocational training programs offered through the Center for Continuing Vocational Training.
- To defend the legitimate interests of ICI Bucharest, for example, to prevent fraud and maintain the security of your network, services, and data. Whenever we rely on this legal basis to process your data, we evaluate our interests to ensure that your rights do not prevail.
- To improve the services we offer you, we may collect anonymous information, without identification or information agreed by you.
- To verify your identity to ensure access to your data
- To provide you with information about our services / contracts / partnerships.
- Compliance with an imperative legal requirement, for example, accounting and tax requirements that are subject to strict internal policies, procedures, etc.
- The consent you give when ICI Bucharest is not based on another legal basis. You can withdraw your consent at any time, free of charge.
